

save your skin
FOUNDATION

About Save Your Skin

The Foundation is a patient-led, not-for-profit Canadian organization dedicated to the fight against non-melanoma skin cancers, melanoma and ocular melanoma through national education, advocacy and outreach initiatives. Save Your Skin Foundation is committed to playing an active role in reducing the incidence of skin cancer in Canada and providing compassionate support to all Canadians living with skin cancer.

What we offer patients:

- Fireside support groups and discussions
- Informative webinars
- Documents to help you prepare for medical appointments
- Guidance for treatment decision-making
- Individual emotional and financial support
- A large community of cancer patients, survivors and caregivers
- Advocacy resources
- Fully bilingual content

Our Initiatives

We offer various initiatives focused on our core pillars such as Education and Prevention, Resources and Patient Support, as well as Fundraising, to assist those affected by cancer. Among our initiatives:

1. Sunscreen Dispenser Program
2. Sty-lives
3. Patient Support Programs, including:
 - Monthly Fireside Chat Calls
 - Individual Patient Support
 - 24/7 Helpline
 - Wellness Wednesdays
 - Meditation Sessions
4. Shining a Light On Sun Safety: a program to educate children and their caretakers.
